

Situated on more than 400 acres of high Sonoran desert, Miraval's backyard adjoins thousands of acres of Arizona State Trust land for an ideal hiking experience. Our guests have the opportunity to walk out the back door on guided two-hour hikes and as well as our newly introduced self-guided hikes.

Our self-guided trails are a mix of mild terrain closer to the resort and elevated landscape on the Ocotillo trail outside Miraval's metal gate. From the Ocotillo trail, guests can marvel at the 9000' Catalina Mountains to the east as well as the incredible biodiversity of the landscape surrounding Miraval.

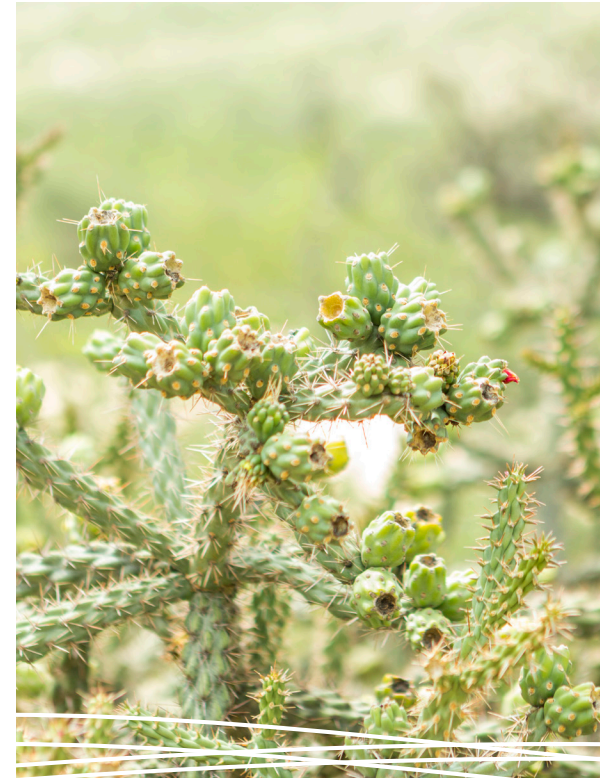

BE PREPARED

- Bring sufficient water, a phone and sun screen.
- Wear comfortable, close-toed shoes or hiking boots.
- Pay attention to your surroundings and respect wildlife. Be observant, cacti and rattlesnakes make their homes in the desert.
- Trail users should yield to horses.
- During thunderstorm season, typically mid-June through September, be alert for quickly changing weather and head back to the resort at the first sign of inclement weather.
- In case of emergency dial 911.
- For non-emergencies dial Guest Services at 520.825.4512.
